

# The Red Practice

Crieff Medical Centre

Up to 8 GP Partner sessions  
available to join our friendly and  
hardworking team

Closing date: end May 2025

Flexible start date

We are looking to appoint up to 8 sessions per week for motivated and enthusiastic Partner (s).

We are a friendly training practice based in a semi-rural area in the heart of Strathearn. Crieff has beautiful rural surroundings and has easy access to Perth, Dundee, Edinburgh and Glasgow. There is a wide diversity of housing, good local schools, excellent recreational facilities and fantastic opportunities for outdoor activities

- Currently 3 partners covering 15 session
- Golden Hello available if eligible
- List size approximately 4000, low deprivation
- Modern purpose built premises (PFI) which are shared with another practice. No buy in
- Long established training and teaching practice
- Excellent Practice Nursing Team and established pharmacotherapy service
- Community mental health and first contact physiotherapy clinic run in the health centre and Advanced Nurse Practitioner team – for assistance with urgent home visits
- Community Nursing and Health Visiting Team based within our building.
- Community care and treatment Service based within our adjacent Community Hospital, performing chronic disease reviews, phlebotomy, wound clinics, ECGs
- Vision and Docman clinical systems

For further information or to arrange an informal visit to the practice then please contact:  
Cathie McKay, Practice Manager on 01764 652456 or [cathie.mckay@nhs.scot](mailto:cathie.mckay@nhs.scot)
